Re: Poggenpohl Thank You

Nic and NOW Panel Systems -

With the recent completion of another successful Project, we want to take a moment to thank you for a job well done.

Thank you for helping us satisfy the expectations of Poggenpohl USA and WDG Interiors. You guys handled the pressures imposed upon you by me at the end of the Project very well and for that I thank you.

MAPP Construction knows that to be the best, we must hire the best. We look forward to partnering with you again soon. Thanx!

Sincerely,

MAPP Construction, LLC
