Re: Scott & White CAM Re-Skin  
Exterior Façade Remediation  
Aluminum Composite Metal Panel Systems

Dear Aaron:

We would like to take this opportunity to thank you and NOW Specialties, Inc. for your valuable contribution and attention to detail during the installation of the Aluminum Composite Metal Panel System on the Scott & White Hospital CAM Re-Skin in Temple, Texas.

Your project management, field supervision and your installation crews displayed a professional and proactive attitude in their approach to meeting the milestones and completing this challenging project. This by far sets you apart from other metal panel subcontractors.

I would be pleased to work with NOW Specialties, Inc. on any future projects as well as recommend NOW Specialties, Inc. for any projects involving exterior wall cladding and aluminum finishes.

Sincerely,

Kristopher G. Kopack, PE  
Project Director
