Dan Ozuna, Operations Manager
NOW Specialties
2122 Country Club Drive
Suite 300
Carrollton, Texas 75006

Dan:

We'd like to take this opportunity to thank you and NOW Specialties for your assistance in installing the Aluminum Composite Metal Panel System on the Pat Lobb Toyota Project in McKinney, Texas.

Your crews and field supervision displayed a professional and proactive attitude in their approach to complete this work expeditiously on such a challenging and worthy project.

I would be pleased to work with NOW Specialties on any future project.

Sincerely;
TURNER CONSTRUCTION COMPANY

Trelaine M. Mapp
Project Manager
